- Prepared an Automatic Place and DN assignment tool for American Express agents using Django, which reduced manual assignment work and saved 70 work hours per month - Created and deployed Fluentd Config files on 2600 Amex servers to Extract-Transform-Load log data to OpenSearch and Elasticsearch using Kafka. - Worked on Genesys Engage, Genesys Cloud, Dynatrace, GAAP, Splunk for Linux, Windows Servers maintenance and upgrade - Created automation Server Application tools for the DevOps and SRE team using Python which reduced change validation time upto 80%	
CIM Cloud Developer - Intern <i>Cognizant Technology Solutions Corp</i>	April 2023 – July 2023 <i>Noida, Uttar Pradesh</i>
Developed Cloud-based Contact Center IVR systems using Avaya, Cyara and AWS services like Connect, Lambda, Lex, Polly, CloudWatch, DynamoDB and S3	

EDUCATION

KIET Group of Institutions AKTU <i>Bachelor of Computer Science and Information Technology (B.Tech) - 8.37/10</i>	Ghaziabad, Uttar Pradesh <i>2019 - 2023</i>
---	--

PROJECTS

Vision Individual <i>Python, Tkinter, MySQL, OpenCV, Voice Recognition</i>	August 2022 - October 2022
AI voice assistant for personal computers that simplified 4 daily tasks, reducing task completion time by 60%	
UAS Accounting System Individual <i>Java, Swing, MySQL, POI</i>	April 2020 - Present
- An easy-to-use Desktop Application designed for inventory management and accounting for multiple companies - Cloud data backup and Dedicated Android Application support to view data on your Smartphone	
M.O.T.S Android App Individual Intern <i>Java, XML, Android Studio</i>	August 2021 – September 2021
Developed the Front-End of an Android application for the startup Metro Online Transit System	

CERTIFICATIONS AND ACHIEVEMENTS

- AWS Certified Cloud Practitioner
- Oracle Cloud Infrastructure 2024 Generative AI Certified Professional
- 100% Tuition Fees scholarship in B.Tech
- NPTEL Soft Skill Certification from IIT Kanpur
- Got 3rd rank at the college department level in Kiccks-D-Hacks coding competition in 2021
- Second-rank Roboguru Global Coding Challenge in 2018
